

The Canadian Opera Company (COC) is dedicated to providing professional, creative and accessible opera programs to all individuals regardless of their age, gender, and cultural and economic backgrounds. The COC seeks to minimize barriers, such as program fees, to participation in COC Education and Outreach programs.

A bursary is a program fee waiver awarded on the basis of financial need. There is a limited amount of bursary funds available to individuals who demonstrate a strong desire and commitment to engage in COC programs but for whom cost prohibits their participation.

Application Criteria & Requirements:

- ♦ Applicants must demonstrate financial need and interest in participating in a COC Education and Outreach program
- ♦ Applicants may apply for a bursary for more than one program per season
- ♦ The amount awarded to individuals is based on the number of applications received and the financial need of the applicants. The COC cannot guarantee that full or partial bursaries will be awarded to all applicants.

Applicants agree to:

- ♦ Submit a completed bursary application form by April 25, 2016
- ♦ Provide a tax slip and/or a letter from any employer(s)/social service agency confirming the total family income
- ♦ Mail or fax the completed forms to the following address:
