# MESSAGE FROM THE GENERAL DIRECTOR

## Welcome to the 15th Annual Fine Wine Auction

On behalf of the Canadian Opera Company's Board of Directors, staff and artists, it gives me great pleasure to welcome you all to the Canadian Opera Company's 15th Annual Fine Wine Auction.

Since its inception, the COC Fine Wine Auction has raised over \$1.2 million, helping the Canadian Opera Company to maintain the highest level of artistic excellence. With your donations and presence at this event, you support the COC's role as a leader in creative innovation in the world of opera.

We have had a tremendous year at the Canadian Opera Company. The 2013/2014 season has received international critical acclaim, and we continue to regularly achieve sold-out performances. With ticket sales accounting for only 40% of our operating budget, the rest of the funding required to produce opera of the highest standard must come largely from the generosity of individuals through various fundraising efforts, including the Fine Wine Auction.

The success of tonight's event would not be possible without the incredible efforts of our outstanding volunteers. In particular, I would like to recognize the leadership of Michael Gibbens and Graham Watchorn, our co-chairs of the Fine Wine Auction Committee, who have done an outstanding job of elevating the profile of this annual event.

Yours sincerely,

Alexander Neef  
General Director, Canadian Opera Company

# MESSAGE FROM THE CHAIR, FINE WINE AUCTION

We would like to welcome you to the 2014 Fine Wine Auction.

With a 15-year tradition, the Fine Wine Auction continues to be one of the COC's most successful fundraising events. We would like to thank our many generous wine and non-wine donors. Your gifts are the cornerstone of building a successful event. To our sponsors: TD Securities, Bloomberg, Graywood Group, Thomson Reuters, Blake, Cassels & Graydon LLP, IAMGOLD, Ozz Electric, Falconcrest Homes, Marel Contractors, Stephen Ranger Fine Art Valuation & Consultancy and Cheese Boutique, thanks for your continued support of the auction and for contributing to the success of the Canadian Opera Company.

Our thanks also go to our dedicated Fine Wine Auction Committee members - James Di Luca, Brian Facey, John Macfarlane, Roisin Tiwari, and Andrew Vernon. Each of you has played a vital role in ensuring a very successful and entertaining evening. The funds raised from this event allow the company to plan with confidence and provide world-class opera, while working to build outreach programs in the community.

Thank you to all attendees of tonight's auction, and good luck with your bidding!

Sincerely,

Michael Gibbens,  
Co-Chair, Fine Wine Auction

# METHOD USED

## FOR DETERMINING THE FAIR MARKET VALUE OF DONATED WINE.

Wine Appraisals are based on the guidelines of Revenue Canada, which are as follows:

**A.** The Canadian retail price is deemed the Fair Market Value for wine generally available and sold in Canada. The term “generally available” denotes that the customer may buy as little or as much as is required, with no limits or restrictions.

**B.** If the wine is not generally available for sale in Canada, then said wine may be sourced from reputable retailers worldwide, providing that the wine is in inventory and available for sale. If the wine is not available for sale on the retail market, then values from current commercial auctions worldwide may be used. The sourced price must then be converted into Canadian currency, adding the relevant duties, taxes, transportation and LCBO markup. This then becomes the Fair Market Value.

As of January 1, 1999, Revenue Canada removed the onus of liability for appraisals from the Charitable Organization, and placed it squarely on the Appraiser. Therefore as the Appraiser, KDL Food and Beverage Consultants Inc. is responsible for the appraisals in this evening’s catalogue and is available to Revenue Canada for any inquiries regarding them.

Appraiser: Ken Lewis, KDL Food and Beverage Consultants Inc.

## ABOUT THE CANADIAN OPERA COMPANY

Based in Toronto, the Canadian Opera Company (COC) is the largest producer of opera in Canada and one of the largest in North America. The company enjoys an international reputation for artistic excellence and creative innovation..

## THE "HOTTEST" TICKET IN TOWN

The COC produces seven fully staged opera productions annually and a series of 76 free concerts at the Four Seasons Centre for the Performing Arts. During the 2012/2013 season, over 127,000 people attended COC mainstage productions, and the COC currently has more than 12,000 subscribers.

## FOSTERING NEW TALENT

The COC not only encourages the creation of new operatic works, it also fosters the training and development of young artists. The COC Ensemble Studio is Canada's pre-eminent training program for young singers, directors and coaches. World-recognized alumni include Isabel Bayrakdarian, John Fanning, Wallis Giunta, Ben Heppner, Joseph Kaiser, Allyson McHardy, Wendy Nielsen, David Pomeroy, and Krisztina Szabó.

## OUR HOME

In 2006, the COC opened its new opera house in Toronto, the Four Seasons Centre for the Performing Arts. The traditional five-tiered, European horseshoe-shaped auditorium was specifically designed for opera with the highest level of acoustics and provides unparalleled intimacy between the audience and the stage. A large, flexible orchestra pit allows for the presentation of the full range of operatic repertoire, from chamber pieces by Mozart and Handel, to some of the monumental 19th- and 20th-century works. A glittering five-storey transparent Isadore and Rosalie Sharp City Room faces University Avenue, encouraging the public to experience the artistic life of the building through regular informal public recitals and performances.

**LEVEL/ULLAGE DESCRIPTIONS  
AND INTERPRETATIONS**

**BORDEAUX LEVELS**

For wines in bottles with defined shoulders including Bordeaux, Port and other wines, the level is measured and catalogued as follows:

- bn. - BASE NECK:** Perfectly good for any age of wine. Outstandingly good for a wine of 10 years in bottle, or longer.
- vts. - VERY TOP SHOULDER**
- ts. - TOP SHOULDER:** Normal for any Bordeaux 15 years old or older.
- hs. - HIGH SHOULDER:** Slight natural reduction through the easing of the cork and evaporation through cork and capsule. Usually no problem. Acceptable for any wine over 20 years old. Exceptional for pre-1950 wines.
- ms. - MID SHOULDER:** Probably some weakening of the cork and some risk. Not abnormal for wines 30/40 years of age. Estimates usually take this into account.
- ls. - LOW SHOULDER:** Risky and usually only accepted for sale if wine or label exceptionally rare or interesting. Always offered with low estimate.
- bs. - BOTTOM SHOULDER:** Not acceptable for sale unless a rare sort of bottle. Wine will usually be undrinkable.
- u. - ULLAGE:** Level. Example: (u. 2ts) means 2 bottles ullaged to top shoulder.
- oc. - ORIGINAL CARTON**
- owc. - ORIGINAL WOODEN CASE**

**BURGUNDY LEVELS**

For wines in bottles with sloping necks, including Burgundy, German and other wines, the level between the cork and wine is measured and catalogued in centimetres.

The condition and drinkability of Burgundy is less affected by ullage than its equivalent from Bordeaux. A 5-7-cm. ullage in a 50-year-old Burgundy can be considered normal, indeed good for age; 3.5-4 cm. excellent for age; 7 cm. rarely a risk. Example: (u. 3x5cm) means 3 bottles ullaged 5 cm.

**BOTTLE SIZES**

- hf. bt.** - half bottle = 0.375 litres
- bt(s).** - bottle(s) = 0.75 litres
- ltr.** - litre
- mag.** - magnum = 1.5 litres, or two regular bottles
- d. mag.** - double magnum (Bordeaux, Port) = 3 litres
- jero.** - jeroboam (Burgundy, Champagne) = 3 litres
- jero.** - jeroboam (Bordeaux) = 5 litres\*
- imp.** - impériale (Bordeaux) = 6 litres
- meth.** - methuselah (Burgundy, Champagne) = 6 litres
- salm.** - salmanazar = 9 litres

\*Up to 1978, jeroboams were generally bottled in 4.5-ltr. bottles.
