MESSAGE FROM THE GENERAL DIRECTOR

Welcome to the 14th Annual Fine Wine Auction

On behalf of the Canadian Opera Company's Board of Directors, staff, volunteers, and artists, it gives me great pleasure to welcome you to the COC's 14th Annual Fine Wine Auction.

Since its inception, the Fine Wine Auction has raised almost one million dollars in support of the Canadian Opera Company's vision of delivering live opera of the highest quality and artistic excellence. With your donations and presence at this event, you help us maintain our position as a creative leader and innovator in the world of opera.

We have had a tremendous year so far at the Canadian Opera Company. The 2012/2013 season has garnered critical acclaim and popular support, and the company continues to enjoy sold-out or near-capacity attendance. Ticket sales, however, only account for 31% of our operating budget. The rest of the funding required to produce great opera must come in large part from the generosity of individuals. Events like the Fine Wine Auction are vital to these fundraising efforts.

The success of tonight's event would not be possible without the incredible dedication of our outstanding volunteers. In particular, I would like to recognize the leadership of Michael Gibbens, our Chair of the Fine Wine Auction Committee, who has done an exceptional job of elevating the profile of this annual event.

Yours sincerely,

Alexander Neef
General Director, Canadian Opera Company

MESSAGE FROM THE CHAIR, FINE WINE AUCTION

I would like to welcome you to the 2013 Fine Wine Auction.

Your gifts are the cornerstone of building a successful event. To our sponsors: TD Securities, Bloomberg, Thompson Reuters, Blake, Cassels & Graydon, Trius, Scheffler's Delicatessen and Cheese, Rhéo Thompson Candies, and Stephen Ranger Fine Art Valuation & Consultancy; thanks for your continued support of the auction and for contributing to the success of the Canadian Opera Company.

My thanks also go to our dedicated Fine Wine Auction committee members - Patrick Cronin, Harry Culham, Philip Deck, Brian Facey, John Macfarlane, Scot Martin, Stephen Ranger, Roisin Tiwari, Peter Tolnai and Andrew Vernon. Each of you has played a vital role in ensuring a very successful and entertaining evening. The funds raised from this event allow the company to plan with confidence and provide world-class opera, while working to build outreach programs in the community.

Thank you to all attendees of tonight's auction and good luck with your bidding!

Sincerely,

Michael Gibbens,
Chair, Fine Wine Auction

FAIR MARKET VALUE METHODOLOGY

Wine appraisals are based on the guidelines of Revenue Canada, which are as follows:

A. The Canadian retail price is deemed the Fair Market Value for wine generally available and sold in Canada. The term “generally available” denotes that the customer may buy as little or as much as is required, with no limits or restrictions.

B. If the wine is not generally available for sale in Canada, then said wine may be sourced from reputable retailers worldwide, providing that the wine is in inventory and available for sale. If the wine is not available for sale on the retail market, then values from current commercial auctions worldwide may be used. The sourced price must then be converted into Canadian currency, adding the relevant duties, taxes, transportation and LCBO markup. This then becomes the Fair Market Value.

As of January 1, 1999, Revenue Canada removed the onus of liability for appraisals from the Charitable Organization, and placed it squarely on the Appraiser. Therefore, as the Appraiser, KDL Food and Beverage Consultants Inc. is responsible for the appraisals in this evening’s catalogue and is available to Revenue Canada for any inquiries regarding them.

Appraiser: Ken Lewis, KDL Food and Beverage Consultants Inc.

37	1994 Fonseca Vintage Port Hold on to your hat. This is the best Fonseca since 1977, and it's probably even better than that classic vintage - more like the breathtaking 1948. Mind-blowing, with masses of colour, aroma and fruit flavour. Smells like fermenting berries, boasting loads of crushed grape, violet and berry character. Big, full-bodied and very sweet, with tons of tannins and a sweet finish. Tannic and huge, it's a long-term, great Port. Best after 2012. Wine Spectator 100/100 <i>Oporto, Portugal - 2 Bottles (750 ml)</i>	\$525 - \$1,200
38	1983 Taylor's Vintage Port (1) Taylor is always closed and tight when young and this is no exception. Deep ruby-purple, ripe raisin and violet aromas, full-bodied, with sweet raisin and grape flavours, a lovely balance of full tannins and an explosion of fruit on the finish. 1985 Warre's Vintage Port (5) Ruby-coloured, with grape, dark chocolate and plum. Full and chewy. Tannins are still there and need to mellow. Medium-sweet and grapey. A little one-dimensional still, but impressive. Drink now. Wine Spectator 91/100 <i>Oporto, Portugal - 6 Bottles (750 ml)</i>	\$500 - \$1,100

Wine Spectator 93/100</p> <p>1986 Château Haut-Brion (1) Extremely exotic and concentrated, leaving an overwhelmingly bizarre impression, although it is definitely high quality. Mossy, muddy aromas and bitter, leathery flavours ruin this one for some of us, but others find spicy, complex cedar and tobacco character.</p> <p>1988 Château Haut-Brion (1) What a beautiful and complete wine, with dark chocolate, crushed blackberry, cedar and raspberry on the nose. Full-bodied, with supersilky tannins and a beautiful licorice, tar and fruit aftertaste. Long and complex. Drink now. 56	<p>1986 Château Cos d'Estournel (4) Smells terrific, with great concentration of berry and cassis aromas, but the prominent tannins tend to cover the flavours, requiring cellaring until at least 1995. On balance, the concentration of fruit wins in the end. Wine Spectator 92/100 1986 Château Léoville Barton (1) Locked up tight with dense currant, spice and cedar flavours framed by tannins. ABOUT THE CANADIAN OPERA COMPANY

Based in Toronto, the Canadian Opera Company (COC) is the largest producer of opera in Canada and one of the largest in North America. The company enjoys an international reputation for artistic excellence and creative innovation.

THE “HOTTEST” TICKET IN TOWN

The COC produces seven fully staged opera productions annually and a series of 76 free concerts at the Four Seasons Centre for the Performing Arts. During the 2011/2012 season, over 125,000 people attended COC mainstage productions, and the COC currently has more than 12,000 subscribers.

FOSTERING NEW TALENT

The COC not only encourages the creation of new operatic works, it also fosters the training and development of young artists. The COC Ensemble Studio is Canada’s pre-eminent training program for young singers, directors and coaches. World-recognized alumni include Ben Heppner, Wendy Nielsen, Gidon Saks, John Fanning and Isabel Bayrakdarian.

OUR HOME

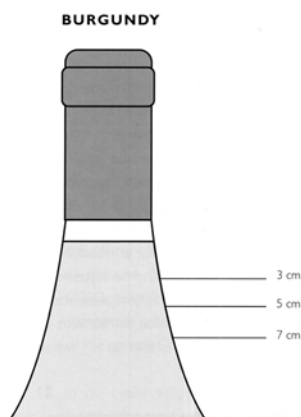

In 2006, the COC opened its new opera house in Toronto, the Four Seasons Centre for the Performing Arts. The traditional five-tiered, European horseshoe-shaped auditorium was specifically designed for opera with the highest level of acoustics and provides unparalleled intimacy between the audience and the stage. A large, flexible orchestra pit allows for the presentation of the full range of operatic repertoire, from chamber pieces by Mozart and Handel, to some of the monumental 19th- and 20th-century works. A glittering five-storey transparent Isadore and Rosalie Sharp City Room faces University Avenue, encouraging the public to experience the artistic life of the building through regular informal public recitals and performances.

LEVEL/ULLAGE DESCRIPTIONS AND INTERPRETATIONS

BORDEAUX LEVELS

For wines in bottles with defined shoulders including Bordeaux, Port and other wines, the level is measured and catalogued as follows:

bn. - BASE NECK: Perfectly good for any age of wine. Outstandingly good for a wine of 10 years in bottle, or longer.

vts. - VERY TOP SHOULDER

ts. - TOP SHOULDER: Normal for any Bordeaux 15 years old or older.

hs. - HIGH SHOULDER: Slight natural reduction through the easing of the cork and evaporation through cork and capsule. Usually no problem. Acceptable for any wine over 20 years old. Exceptional for pre-1950 wines.

ms. - MID SHOULDER: Probably some weakening of the cork and some risk. Not abnormal for wines 30/40 years of age. Estimates usually take this into account.

ls. - LOW SHOULDER: Risky and usually only accepted for sale if wine or label exceptionally rare or interesting. Always offered with low estimate.

bs. - BOTTOM SHOULDER: Not acceptable for sale unless a rare sort of bottle. Wine will usually be undrinkable.

u. - ULLAGE: Level.
Example: (u. 2ts) means 2 bottles ullaged to top shoulder.

oc. - ORIGINAL CARTON

owc. - ORIGINAL WOODEN CASE

BURGUNDY LEVELS

For wines in bottles with sloping necks, including Burgundy, German and other wines, the level between the cork and wine is measured and catalogued in centimetres.

The condition and drinkability of Burgundy is less affected by ullage than its equivalent from Bordeaux. A 5-7-cm. ullage in a 50-year-old Burgundy can be considered normal, indeed good for age; 3.5-4 cm. excellent for age; 7 cm. rarely a risk. Example: (u. 3x5cm) means 3 bottles ullaged 5 cm.

BOTTLE SIZES

hf. bt. - half bottle = 0.375 litres

bt(s). - bottle(s) = 0.75 litres

ltr. - litre

mag. - magnum = 1.5 litres, or two regular bottles

d. mag. - double magnum (Bordeaux, Port) = 3 litres

jero. - jeroaboam (Burgundy, Champagne) = 3 litres

jero. - jeroaboam (Bordeaux) = 5 litres*

imp. - impériale (Bordeaux) = 6 litres

meth. - methuseloh (Burgundy, Champagne) = 6 litres

salm. - salmanazar = 9 litres

*Up to 1978, jeroaboams were generally bottled in 4.5-ltr. bottles.
