Celebrated choreographer Peggy Baker shares the inspiration, methods, and motives behind the conception and creation of her latest full work, *Phase Space*:

Our memories of events, people, and places are malleable. What we remember, and the meaning we attach to specific memories, shifts and reorganizes itself as the narratives of our lives unfold. *Phase Space* explores the fluid nature of memory as embodied by six dancers.

Choreographer: Peggy Baker**Composer and musician:** John Kameel Farah**Vocalographer:** Fides Krucker**Dancers:** Ric Brown, Sarah Fregeau, Kate Holden, Sean Ling, Andrea Nann, Sahara Morimoto
